

Adobe Photoshop CS4 Extended: Full Track (Adobe Certified Associate Exam)

COURSE CODE: ADAPSCS4FT

Duration

5 Days

Course Synopsis

This course will prepare the new and existing Adobe Photoshop user for an Adobe Certified Associate Exam. After the course, the user is able to develop creative designs. For those seeking employment that requires demonstrating the ability to use digital media needed to plan, design, build, and maintain effective communications, Adobe Certified Associate is a certification program that validates the skills of job seekers.

Certification Helps Prove Proficiency

In an increasingly competitive work world, employers need more than familiar users of digital communications technology to drive successful business outcomes—they need proficient users. With certification, hiring managers will know that work similar to the excellent portfolio they just reviewed can be accomplished efficiently.
